Northwind Robotics - Employee Handbook

1. About Us

Northwind Robotics was founded in 2018 in Coimbatore. We build warehouse automation robots. Our flagship product is the Hauler X2 autonomous forklift.

2. Leave Policy

Every full-time employee gets 24 days of paid annual leave per year. Leave must be applied at least 3 working days in advance through the HR portal. Unused leave up to 10 days can be carried forward to the next year.

3. Remote Work

Employees may work remotely up to 2 days per week. Core collaboration hours are 11 AM to 4 PM IST.
